

LLNA MINUTES: APRIL 3, 2008

In Attendance: Steve Foss, Dustin Neild, Jan Ham, Theresa LeBlanc, Frank Vigna, Danny Lord, Linda Lord

March 2008 minutes approved.

*President's recap of 'That Spring Thing' meeting held last week:

THAT SPRING THING: We are hoping this will be the first of many 'That Spring Thing'. The committee consists of: Martha and Jon Folsom, Martha Childs, Jan Ham, Theresa LeBlanc, Steve Foss and Danny Lord. We have two offers of music: Molly Flannery and a friend of Steve's. Bonnie has been working on getting raffle items from merchants in town. Sarah is looking into discount/neighborhood septic pumping. Jan voiced concern regarding having the scavenger hunt in the Wetland Park...pricker bushes and poison ivy. Danny will procure a 20x30 foot tent for the event. Steve will speak to Donelans about providing the hot dogs and drinks. The event will be held on the corner of Lake and Lake Shore on Sunday June 1st from 4-7pm. Theresa will provide a 'to do list' within the next week or so. A committee meeting will be held May 29th to go over final details.

*President's recap of 'Spring 2008 Newsletter' meeting held last week:

NEWSLETTER: It is hoped to have the Newsletter ready to mail by April 19th. All news items, including raffle prizes for That Spring Thing, should be submitted to Dustin by April 8th. Ruddy may be able to do the printing.

New items:

Poop Bag Dispenser: Danny will speak to Jim Clyde (Highway Department) again about location of dispenser. Dustin, Steve and Frank will meet Sunday the 13th to set up the dispenser.

Annual Report: Nothing to report

Hockey Tickets: They will be used this coming Friday and Saturday evenings if possible.

CLC: Nothing to report

Should we put whiskey barrels for planting annuals beside the two benches by the lake?

Should we have an LLNA banner made to use at our events or events we participate in (AppleMan)?

Opportunities!

Please contact Steve if you would like to volunteer for any of the following:

Create and lead a Welcome Basket/Wagon Committee

Be the LLNA lead invasive plant expert, beginning with purple loosestrife

Be the LLNA web site guru and create the LLNA website

Be the LLNA correspondence lead; to create a team to write periodical articles for the newspaper and other media outlets

Next meeting: May 1st 7pm in the ConsCom office, 2nd floor
