

## **LLNA MINUTES: JUNE 5, 2008**

**IN ATTENDANCE:** Steve Gaebel, Ryan Adelizi, Martha Childs, Theresa LeBlanc, Jan Ham, Frank Vigna, Jon Folsom, Steve Foss, Dustin and Lynn Neild, Danny and Linda Lord.

\*Recap of 'That Spring Thing': All agreed it was a great success. Next year we will encourage people to bring their own chairs and blankets for seating and think about asking them to bring a picnic dinner. We will use the three sandwich board signs and photo board again next year. Should we have another scavenger hunt, we will make many more copies of the scavenger list, as we ran out. Next time we may ration out the hot dogs by 'stamping' hands for one free, and then letting people buy more should they want.

Danny reports that the treasury brought in a total of \$676.00 from "That Spring Thing"; dues: \$200.00 and \$407.00 from the raffle and donations. After expenses, we added \$208 to the treasury.

Any thoughts on a thank you gift for the band?

Sarah will write a letter to the paper.

Steve will speak to Bonnie regarding thank you letters for the merchants who donated.

\*Dead fish on the shoreline are of great concern. The ConsCom (Conservation Commission) will be notified. Jon will check with the CLC (Clean Lakes Commission) as to when the 'treatment' to the lake will be taking place this summer. Ryan suggests the possibility of no longer allowing lead sinkers to be used when fishing. Should we get a letter to the newspaper?

\*Thank you Jon Folsom, Steve and Glen Foss for repairing the dock. Because the berm has disintegrated, should we think about pulling the docks in for the winter?

\*Steve F and Lynn talked about a website for LLNA. Mark Richards has volunteered his services and is looking into a domain name. Steve F will contact us to see who would like to be on the website committee with him.
