

## **LLNA MINUTES: March 3, 2008**

**In Attendance:** Dustin Neild , Jon Folsom, Steve Foss, Anna Mayor, Linda Lord

Newsletter: Currently, Meg has submitted an article on NEF and Jan has submitted on the poop dispenser. As we are hoping to mail the news letter by March 25<sup>th</sup>, all articles should be to Dustin by Monday March 17<sup>th</sup>.

Rud is our first choice in printing the newsletter. Does anyone have any black and white photos we could use in the newsletter?

Anna will speak to Savas and get an update for an article on the Wetlands Park.

Included in the newsletter will be our mission statement and calendar.

Danny will determine how many to print after updating our mailing list.

Meet and Greet: Locations are being discussed; NEFF, VFW, Light and Water etc.

It was decided that we would wait and present the survey at the meet and greet and not include it in the newsletter.

After speaking to a representative of Groton Local, Steve shared some new thoughts and ideas with us. The main one being, in order to get a crowd at one of our gatherings, we need a really interesting topic or speaker (presentation, idea etc.).

Right now the meet and greet committee includes Jon, Theresa, Steve and Danny. The date for the Meet and Great has pushed out and is tentatively scheduled for May 2<sup>nd</sup>.

Hockey Vouchers: We still have some to use. Steve will pick a few dates and see who is available to attend.

Kiosk: We should utilize it more.

Purple Loosestrife Pull: June 29<sup>th</sup>. No time has been set as of yet.

CLC: Jon reports nothing new at this time.

Fundraising: What are your ideas?

Annual Report: Jon and Steve working on it.

Next meeting is Thursday April 3<sup>rd</sup> at the small meeting room in the library.

Respectfully submitted: LRL
