

LLNA MINUTES: MAY 1, 2008

In Attendance: Steve Foss, Theresa LeBlanc, Jon Folsom, Jan Ham, Dan Lord, Linda Lord

April minutes approved.

Dan reported that the newsletter generated 9 memberships. As of today, LLNA membership is 20 paid members.

Jon reported that the CLC is focusing on a rain garden for the Middle School. This garden will also include a 'butterfly center'. Individual rain gardens will be looked at in the near future. Jon also reported talking with Savas regarding a 'common dock' at the basin where Emerson and Lake Shore meet.

Jon also suggested we all try and attend the Economic Development meeting which is to be held May 21st.

The road work being done on Lake/Lake Shore is to create more permit parking for the lake. This brought up discussion of possibly placing a stop sign at the end of Lake, inverted speed bumps and a movable 20mph sign. These ideas will be discussed further at a later meeting.

Steve and Jon plan to meet at 10am on Sunday May 4th to take care of the docks along Lake Shore that need repair.

The balance of the meeting was devoted to "That Spring Thing". Theresa has the information. Next "That Spring Thing" meeting will be May 29th at the Folsom's home. Time to be announced.

Steve extended thanks to all who helped with the newsletter, installing the poop-bag dispenser and at the annual spring clean-up.
